### MEMORANDUM.

#### THE RHODES SCHOLARSHIPS IN CANADA.

THE Trustees of the Will of the late Mr. C. J. Rhodes have prepared the following Memorandum for the information of College Authorities and intending candidates for Scholarships in Canada.

The first election of scholars in Canada under the Rhodes bequest will be made between February and May, 1904. The elected Scholars will commence residence in October, 1904.

A qualifying examination will be held within this period in each Province, or at centres which can be easily reached. This examination is not competitive, but is intended to give assurance that all candidates are fully equipped to enter on a course of study at Oxford University.

It will therefore be based on the requirements for Responsions—the first public examination exacted by the University from each candidate for a degree.

The Rhodes scholars will be selected from candidates who have successfully passed this preliminary examination. One scholar will be chosen for each Province to which scholarships are assigned.

The requirements of the Responsions examination, as stated in the Statutes of the University of Oxford, are as follows:

Candidates must offer the following:—

- (1) Arithmetic—the whole.\*
- (2) *Either* Algebra.

Addition, Subtraction, Multiplication, Division, Greatest Common Measure, Least Common Multiple, Fractions, Extraction of Square Root, Simple Equations containing one or two unknown quantities, and problems producing such equations.

Or Geometry.

Euclid's Elements, Book I, II.† Euclid's axioms will be required, and no proof of any proposition will be admitted which assumes the proof of anything not proved in preceding propositions of Euclid.

- (3) Greek and Latin Grammar.
- (4) Translation from English into Latin prose.
- (5) Greek and Latin authors.

Candidates must offer two books, one Greek and one Latin, or Unseen Translation. The following portions of the under-mentioned authors will be accepted:—

DEMOSTHENES: (1) Philippias 1-3, and Olynthiacs 1-3, or (2) De Corona.

EURIPIDES, any two of the following plays: Hecuba, Medea, Alcestis, Bacchae.

HOMER (1) Iliad 1-5, or 2-6; or (2) Odyssey 1-5, or 2-6.

PLATO, Apology and Crito.

SOPHOCLES, Antigone and Ajax.

XENOPHON, Anabasis 1-4 or 2-5.

CAESAR, De Bello Gallico, 1-4.

CICERO: (1) the first two Philippic Orations; or (2) the four Catiline Orations, and In Verrem, Act I; or (3) the Orations Pro Murena and Pro Lege Manilia; or (4) the treatises De Senectute and De Amicitia.

HORACE: (1) Odes 1-4; or (2) Satires; or (3) Epistles. LIVY, Books 21 and 22. (After Michaelmas, 1903, Books V. and VI.)

VIRGIL: (1) the Bucolics, with Books 1-3 of the Aeneid; or (2) the Georgics; or (3) the Aeneid, Books 1-5, or 2-6.

Papers covering this range of study will be prepared by examiners appointed by the Trustees, and will be sent to each centre, where, at a date publicly announced, the examination will be held under proper supervision, and the papers returned to the examiners.

A list of those who have successfully passed this test will as soon as possible be furnished to the chairman of the committee of selection in each Province, or to the university making the appointment, and

from this list the committee or university will proceed to elect the Scholars.

The committees and the universities making appointments will be furnished with a statement of the qualifications which Mr. Rhodes desired in the holders of his scholarships, and they will be asked in exercising their right of selection to comply as nearly as circumstances will permit with the spirit of the testator's wishes.

They will also be asked to furnish to the Trustees as full a statement as possible of the school and college career of each elected scholar, with the special grounds of his appointment, together with suggestions, if desired, as to the course of study for which he is best fitted.

It has been decided that all scholars shall have reached at least the end of their Sophomore or second year work at some recognised degree-granting university or college of Canada.

Scholars must be unmarried, must be British citizens, and must be between nineteen and twenty-five years of age.

Candidates may elect whether they will apply for the scholarship of the Province in which they have acquired the above-mentioned educational qualification, or for that of the Province in which they have their ordinary private domicile, home or residence. They must be prepared to present themselves for examination in the Province they select. No candidate may compete in more than one Province.

Candidates for scholarships should, during the month of January, 1904, notify the chairman of the committee of selection in the Province for which they apply, or the head of the university appointing to the scholarship, of their intention to present themselves for examination. The decision of the committee of selection or of the university making appointment shall be final as regards eligibility.

In the case of Ontario, Quebec, Nova Scotia and New Brunswick it has been determined that nominations to the scholarships shall be made by the chartered universities and colleges of these Provinces in a fixed rotation based upon the number of students in attendance.

The nominations for 1904 and 1905 will be made as follows:—

#### MANITOBA.

#### NORTH-WEST TERRITORIES.

Any inquiries about Oxford, its colleges and the courses of study there, should be addressed to F. J. Wylie, Esq., the Oxford agent of the Rhodes Trustees. The Presidents of Canadian Colleges are requested to send to Mr. Wylie, for the information of the Trustees, copies of their annual calendar, and such other college literature as they may think useful.

Copies of Oxford Responsion papers for past years can be obtained from the Copp Clark Company, Toronto. The Students' Handbook of Oxford can be ordered at the same address. It gives full information about the examinations of the university, subject to changes made since the last edition was issued.

\*Candidates are expected to be able to do correctly sums in Vulgar and Decimal Fractions, Practice, Proportion and its applications, Interest (Simple and Compound), Square Measure and Square Root.

†Candidates should be careful to answer questions in both books.

"Oxford As It Is," a small pamphlet prepared by Mr. Louis Dyer, of Harvard and Balliol Colleges, for the use of American candidates, gives all essential information in a condensed form. It can also be ordered from The Copp Clark Company, Toronto.

"Oxford and its Colleges," written by Mr. J. Wells, of Wadham College, and "Oxford and Oxford Life," edited by the same gentleman, may be recommended for those who wish to gain fuller information about the university and its colleges.

## PRIVATE BILLS.

## EXCERPT FROM RULES AND ORDERS RELATING TO PRIVATE BILLS.

## RULE 59.

ALL APPLICATIONS for Private Bills, properly the subject of legislation by the Legislative Assembly of British Columbia, within the purview of the “British North America Act, 1867,” whether for the erection of a Bridge, the making of a Railway, Tramway, Turnpike Road, or Telegraph or Telephone Line; the construction or improvement of a Harbour, Canal, Lock, Dam, Slide, or other like work; the granting of a right of Ferry; the incorporation of any particular trade or calling, or of any Joint Stock Company; or otherwise for granting to any individual or individuals any exclusive or peculiar rights or privileges whatever, or for doing any matter or thing which in its operation would affect the rights or property of other parties, or relate to any particular class of the community, or for making any amendment of a like nature to any former Act,—shall require a Notice, clearly and distinctly specifying the nature and object of the application and, where the application refers to any proposed work, indicating generally the location of the work, and signed by or on behalf of the applicants, such notice to be published as follows :—

In the BRITISH COLUMBIA GAZETTE, and in one newspaper published in the District affected, or if there be no newspaper published therein, then in a newspaper in the next nearest District in which a newspaper is published.

Such notice shall be continued in each case for a period of at least six weeks, during the interval of time between the close of the next preceding Session and the consideration of the Petition, and copies of such notice shall be sent by the parties inserting such notice to the Clerk of the House to be filed amongst the records of the Committee on Standing Orders.

57. No Petition for any Private Bill shall be received by the House after the first ten days of each Session, nor may any Private Bill be presented to the House after the first three weeks of each Session, nor may any Report of any Standing or Select Committee upon a Private Bill be received after the first four weeks of each Session, and no Motion for the suspension or modification of this Rule shall be entertained by the House until the same has been reported on by the Committee on Standing Orders, or after reference made thereof at a previous sitting of the House to the Standing Committees charged with consideration of Private Bills, who shall report thereon to the House. And if this Rule shall be suspended or modified as aforesaid the promoters of any Private Bill which is presented after the time hereinbefore limited, or for which the Petition has been received after the time hereinbefore limited, shall in either case pay double the fees required as herein mentioned, unless the House shall order to the contrary. Any person seeking to obtain any Private Bill shall deposit with the Clerk of the House, eight days before the opening of the Session, a printed copy of such Bill, a copy of the Petition to be presented to the House, together with the notices published. At the time of depositing the Bill, the applicant shall also pay to the Clerk of the House a sum of three hundred dollars. If a copy of the Bill, Petition and notices shall not have been so deposited in the hands of the Clerk of the House at least eight days before the opening of the Session, and if the Petition has not been presented within the first ten days of the Session, the amount to be paid to the Clerk shall be six hundred dollars. If the Bill shall not pass second reading one-half of the fees paid shall be returned.

60. Before any Petition, praying for leave to bring in a Private Bill for the erection of a Toll Bridge, is received by the House, the person or persons intending to petition for such Bill shall, upon giving the notice prescribed by rule 59, also at the same time and in the same manner, give notice of the rates which they intend to ask, the extent of the privilege, the height of the arches, the interval between the abutments or piers for the passage of rafts and vessels, and mentioning also whether they intend to erect a draw-bridge or not, and the dimensions of the same.

61. All Private Bills for Acts of Incorporation shall be so framed as to incorporate by reference the clauses

of the General Acts relating to the details to be provided for by such Bills:—Special grounds shall be established for any proposed departure from this principle, or for the introduction of other provisions as to such details, and a note shall be appended to the Bill indicating the provisions thereof in which the General Act is proposed to be departed from. Bills which are not framed in accordance with this Rule shall be re-cast by the promoters and re-printed at their expense before any Committee passes upon the clauses.

65. All Private Bills shall be prepared by the parties applying for the same, and printed in Small Pica type, twenty-six ems by fifty ems, on good paper, in imperial octavo form, each page when folded measuring 10½ inches by 7½ inches. There shall be a marginal number every fifth line of each page; the numbering of the lines is not to run on through the Bill, but the lines of each page are to be numbered separately. Two hundred copies of each Bill shall be deposited with the Clerk of the House immediately before the first reading. If amendments are made to any Bill during its progress before the Committee on Private Bills, or through the House, such Bill shall be reprinted by the promoters thereof.

By 65B all Bills to incorporate or amend Bills incorporating railway companies are to be drawn in accordance with the Model Bill.

The provisions contained in any Bill which are not in accord with the Model Bill shall be inserted between brackets.

Any exceptional provisions that it may be proposed to insert in any such Bill shall be clearly specified in the notice of application for the same.
